About us

ASV & ASSOCIATES LIMITED is a **Certified Public Accountant firm** incorporated **since 1980** under Thai law and based in Bangkok, Thailand. We offer a wide variety of assurance and advisory services, as well as integrated accounting software solution.

We also provide advisory services to individuals and corporate investors by giving insight into analysis of feasibility studies and financial due diligence for their investments.

Since 1997, ASV has joined MGI, which is one of the largest international associations of independent accounting and consulting firms, with over 200 offices in more than 70 countries and a combined turnover of over US\$250 million, **currently ranked among top 20 of the world in accounting and consulting services.**

For more information about MGI, please visit <http://www.mgiworld.com>

Our History

→ ASV & ASSOCIATES was founded in 1980 as an audit firm by **Mr. Anusorn Kiatgungwalgri**, currently the managing partner. In 1990, the firm expanded ranges of services to address other corporate needs such as M&A due diligence, consulting and accounting software integration. The firm then became locally and internationally recognized and in 1997 joined the MGI group.

→ At present, the firm has **2 partners, 6 CPAs, and other 40 service professionals** and continues to grow steadily. We have also been approved by Thailand Securities and Exchange Commission to provide assurance services to companies listed in the Stock Exchange of Thailand (<http://www.sec.or.th>).

→ We are also official member of **Public Accountancy Oversight Board**, the non-profit corporation created by **Sarbane-Oxley Act 2002** to oversee the audit of US. listed companies.

Our Services

■ Audit and Advisory

To meet statutory requirements for quarterly and annual review/audit engagements for listed and non-listed companies. Our approach provides not only recommendations for tax compliance but also internal control improvement.

■ Tax

We provide monthly tax filing, personal and corporate income tax consultancy, and tax compliances.

■ Corporate Finance

Manage your risk through our corporate finance service. Our qualified service professionals can assist you for investment opportunities such as valuation and due diligence for merger and acquisition.

Our Services

■ Business Software Solution Provider

Our IT Department under ASV Consulting Ltd. provides business software implementation, consultation, and appropriate training using **SAGE Accpac ERP** for Integrated Accounting Solution and **SAGE CRM** for Customer Relationship Management Solution.
